

KIDS JUDO

5 - 6 years

These classes develop the core skills of Judo - safe falling - balance - contact awareness. The classes are conducted in a games environment where the games are structured to create awareness of the desired skill, Big Ball Sumo, Pillow fights and Crash Mat battles are just some of the fun games the children play.

7 - 8 years

These classes develop specific Judo skills but with a high "game" element. Safe falling skills are more developed to increase the ability to relax during the fall. Gradings commence in this age group.
